

Sentinels Collegiate Clash

Budget Proposal

Presented by: Tommy Vogt

Course: BUSINESS PROJECT
MANAGEMENT

Date: 10/13/2025

Introduction

- Sentinels is a top-tier esports organization expanding beyond pro play.
- The Sentinels Collegiate Clash is a new initiative designed to give smaller college teams a stage to compete.
- Focus areas: collegiate esports growth, player scouting, and community connection.

Overview

The *Sentinels Collegiate Clash* is a two-day LAN esports tournament for college teams across the United States.

The event aims to:

- Provide a platform for collegiate players to showcase their skills
- Scout emerging talent for Sentinels' academy programs
- Build relationships with universities and sponsors
- Strengthen Sentinels' community engagement and brand loyalty

Event Details:

- Games Featured: Valorant & League of Legends
- Participants: 12–16 collegiate teams nationwide
- Location: Major college arena (rotating annually)
- Audience: 2,000 in-person + 500,000+ livestream views

Budget Structure

The project budget covers all operational, marketing, and staffing needs to successfully deliver the event.
